

A Word From Sheila- Active Life Manager

What a wonderful month! We had the opportunity to celebrate our Veterans! They were honored with a breakfast and then we celebrated with wonderful music and the Color Guard the day after for our whole community. What a wonderful time to be thankful for their service and share our patriotism!

For the month of December, I have been fortunate to have different groups calling to offer their services for entertainment. We will be having a few piano players, a guitar player, and a high school wind ensemble group. We also have Classic Voices of Lakeville coming, since one of our own sings with them. Our community will be filled with a variety of music throughout the month. We also have the opportunity to give back to our local food shelf, Feed My Sheep! See the article in this newsletter for more details.

Along with the entertainment at Kingsley Shores, we will also be heading into the community to see Christmas Lights at Sever's Holiday Light Show, lunch out at Porter Creek, breakfast at The Better Half and a visit to Pahl's Market to see their displays for Christmas. We will also be taking trip to Abdallah Chocolates to do some Christmas shopping! Take time to enjoy the wonderful season of Christmas!

Things to Remember!

As the season gets colder, be sure to turn your heat on!
Make sure you change the setting from COOL to HEAT.

Welcome, Paula!

I'm so happy to join the team here at Kingsley Shores. I've been a nurse for many years, experienced in Critical care and Emergency room nursing, Nursing leadership, Long term care, managed care, assisted living and home care.

I live in Cannon Falls, and have 3 grown up children. I enjoy spending time with my family, my pets - 2 cats and a dog, gardening and just about anything outdoors.

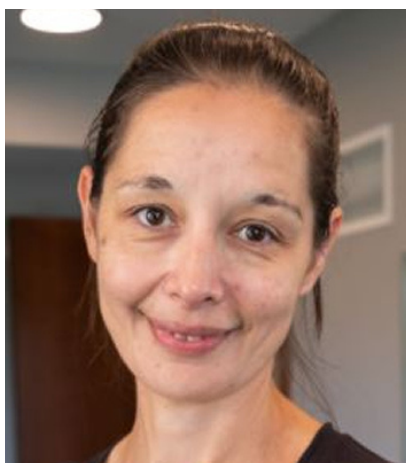

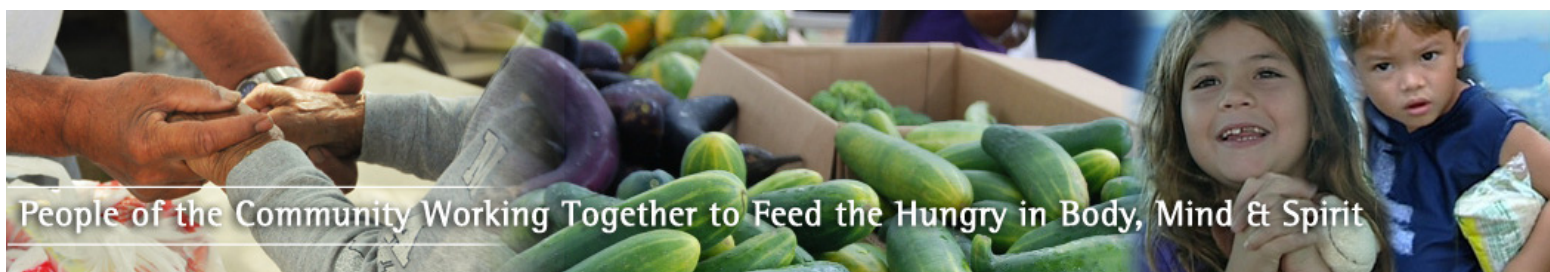

I look forward to getting to know everyone here at Kingsley Shores!

Feed My Sheep Service Project!

CALL *for* VOLUNTEERS

We will be collecting items to support our local food shelf, Feed My Sheep! They have a great need for snack bags to be provided to young children after school. We will be collecting items to go into the bags, some examples are juice boxes, fruit cups, raisins, crackers, or granola bars. (To avoid food allergies, we will not be giving items with peanuts.) We will collect the items at the Kingsley Place Fitness Center or the concierge at Kingsley Shores, until December 12th!

We will then gather to assemble the items into zip-loc bags on Monday, December 16th at 10AM. Feed my Sheep is also in need of financial donations during this time and donations can be made at messiahonline.org (make sure you note Lakeville Food Shelf on the Memo Line) Joan Graham will also collect checks at KP, if this is easier.

Fitness with Alicia

Remember the Fitness Center will be closed on Christmas Day and New Years Day!
